

Limited Warranty

Revision Date June 1st,2016

Yingli Green Energy Holding Company Limited (“Yingli Solar”) provides the following Limited Product Warranty and Limited Power Warranty (collectively, the “Limited Warranty”) with respect to its photovoltaic module products (“PV Modules” or “Modules”), subject to the conditions, exclusions and limitations set forth below.

1 LIMITED PRODUCT WARRANTY

Yingli Solar warrants to the purchaser (the “Customer”) that PV Modules shall be free from defects in materials and workmanship under normal application, use and service conditions during a period of ten (10) years, beginning on the earlier of: i) the date such Modules were purchased; or ii) one (1) year anniversary from the production date (the “Warranty Start Date”). If a PV Module fails to conform to this Limited Product Warranty during this ten-year period, Yingli Solar will, at its reasonable option, either (a) repair or replace the defective PV Module or parts free of charge, or (b) refund to the Customer at the current comparable market price of such Module, at the Customer’s claim.

This Limited Product Warranty does not warrant a specific power output, which shall be exclusively covered under the Limited Power Warranty below.

2 LIMITED POWER WARRANTY

A. Limited 25-Year linear Power Warranty:

Yingli Solar further warrants that, within twenty-five (25) years after the Warranty Start Date, the degradation of the power output in the first year shall not exceed 3.00% of the minimum labeled power output, which was originally stipulated on the label of PV Modules, and the degradation in every subsequent year shall not exceed 0.70% of the minimum labeled power output. If the power output decline, which was beyond the anticipated natural decline (as set forth in the scheduled Power Output identified in Section C) was due to defects in materials or workmanship under normal application, use and service conditions, Yingli Solar will remedy such decline in power, at its reasonable option, either (a) repair or replace the defective PV Module or parts free of charge, or (b) provide the Customer with additional PV Module(s) to make up for such decline of power output, so that the total power output, adding the original one(s) and any additional one(s), can be equal to or exceed the value in Power Output Schedule, for the Customer to feasibly install the additional PV Module(s), or (c) refund the difference between the actual power output of the PV Module and the value in Power Output Schedule, based on the comparable current market price at the Customer’s claim.

B. For purposes of determining PV Module power output, measurements shall be based on, or normalized to, standard test conditions of 1000W/m² irradiance, 25°C cell temperature, and AM 1.5 light spectrum. Measurements shall be made in accordance with IEC 60904, and shall account for measurement system

error in accordance with EN 50380. Moreover, the samples shall be selected from the similar calibration modules as the type used by Yingli Solar to calibrate the sun simulator possible, and to conduct the power output test in well-known third party lab. Additionally, it shall record the Electroluminescence cell debris detection image before the transportation and testing of the samples. The selection of the samples and third party labs shall be determined by both parties to avoid any possible disputes afterwards.

C. Power Output Schedule

Period in Years from Warranty Start Date	Minimum Power Output at the end of each year
0	100.00%
1	97.00%
2	96.30%
3	95.60%
4	94.90%
5	94.20%
6	93.50%
7	92.80%
8	92.10%
9	91.40%
10	90.70%
11	90.00%
12	89.30%
13	88.60%
14	87.90%
15	87.20%
16	86.50%
17	85.80%
18	85.10%
19	84.40%
20	83.70%
21	83.00%
22	82.30%
23	81.60%
24	80.90%
25	80.20%

*Warranty start date: With regard to direct purchase without distribution, warranty start date shall be the date agreed in a contract or the issuing date on the original invoice; In the event of resale or long storage, there shall be a default grace period before the modules are installed. However, the period shall not exceed one year after the recorded factory date on Yingli inventory records..

YINGLI SOLAR PV MODULE

Limited Warranty

3 GENERAL CONDITIONS, EXCLUSIONS AND LIMITATIONS

- A. In no event shall the warranty period of any implied warranty be beyond the applicable warranty period identified in sections 1 or 2, from above. Some countries, states or jurisdictions may not recognize limitations on warranty periods, thus the above limitation may not apply to you. This warranty gives you specific legal rights as a Customer, but it will not prevent you from having additional rights based on laws, which may vary from jurisdiction to jurisdiction. Neither seller of the PV Modules nor any other person is authorized to make any warranties other than those set forth herein, or to extend the warranty periods set forth above, on behalf of Yingli Solar.
- B. Claims under the Limited Warranty must be filed within the applicable warranty period for the Limited Warranty to be valid. The sales receipt from the Customer's original purchase, or other reasonable documentary proof, is required in order to establish the Warranty Start Date.
- C. The Limited Warranty is offered only to the original Customer and any person to whom the title(s) of the Module(s) was transferred, provided that the PV Modules remain installed at the site where they were originally installed, (each, a "Claimant").
- D. THE LIMITED WARRANTY SHALL NOT APPLY TO THE FOLLOWING SCENARIOS:
- If customer has a delinquent balance owed for the modules covered by the Limited Warranty.
 - The Module(s) has been alternated, repaired or modified without prior express or written consent of Yingli Solar.
 - The Module(s) has been relocated at a new site, other than the original installation site.
 - Non-compliance with the Yingli Solar's Installation and User Manual.
 - Misuse, abuse, neglect, or accident in storage, transportation, handling, installation, application, use or service.
 - Electrical surges, lightning, flood, fire, vandalism, tampering, accidental breakage, module discoloration, or other events reasonably beyond Yingli Solar's control.
 - Installation on mobile platforms or in a marine environment; direct contact with corrosive agents or salt water; pest damage; or malfunctioning PV system components and other operating conditions, which are not expressly allowed in the Installation and User Manual.
 - Alteration, removal or obliteration of the original PV Module label.

In addition, the Limited Warranty does not cover cosmetic blemishes associated with installation, or the normal wear and tear of PV Modules. Disputes on optical appearance difference of/between individual Module(s)

during acceptance inspection period is not accepted by Yingli Solar, and Yingli Solar only provides reasonable exchange at cost of Customer in case that resale of replaced module(s) with disputes is not affected by Customer.

- E. The Limited Warranty does not cover PV Module installation and removal of defective PV Modules, or re-installation of the repaired, replaced or additional PV Modules, as well as the costs of any of the foregoing; it do not cover any other costs, lost profits or lost revenues associated with the performance or non-performance of defective PV Modules; provided, however, that for the accepted warranty claims, Yingli Solar shall be responsible for reasonable costs associated with transporting defective, repaired, replacement or additional PV Modules from and back to Claimant.
- F. Any additional PV Modules provided, and any PV Modules repaired or replaced, by Yingli Solar under a warranty claim shall be covered by the same Limited Warranties and terms as the original PV Modules purchased that were the subject of the claim; no warranty periods or terms shall be extended because of a warranty claim or remedy. Yingli Solar shall make commercially reasonable efforts to replace defective PV Modules with new or refurbished PV modules of the same or similar size and appearance, but reserves the right to deliver another PV Module type in the event that Yingli Solar has discontinued production of the PV Module type that is the subject of the warranty claim provided, that such other PV Module type is compatible to the Customer's PV System. Replaced PV Modules and parts shall become the property of Yingli Solar.

4 OBTAINING WARRANTY SERVICE

To obtain warranty service, the Customer or other Claimants should promptly contact the seller from which they purchased the PV Modules, who will then provide instructions and forms for filing the claim. If such seller no longer exists or cannot be reached, the Customer or other Claimant may contact Yingli Solar directly as indicated through our website, www.yinglisolar.com. Yingli Solar will not accept the return of alleged defective PV Modules as well as payable logistics expenses, unless prior written authorization has been provided by Yingli Solar generally (e.g. replacement agreement or email commitment from Yingli Solar). Unless otherwise indicated, PV Modules that have been authorized for return by Yingli Solar shall be shipped to a local Customer Service Center as designated by Yingli Solar. Under the condition Yingli picks up the replaced modules itself, the Customer shall properly pack and store the modules to be replaced. In the event that a claim is rejected by Yingli Solar, the Claimant is entitled to challenge the results by appealing to an accredited testing laboratory. If there is any special agreement between Yingli Solar and the Customer, the Customer shall explicitly inform Yingli Solar and submit such agreement or evidence before applying the Limited Warranty Service.

YINGLI SOLAR PV MODULE

Limited Warranty

5 EXCLUSIVE REMEDIES; LIMITATION OF LIABILITY

The Limited Product and Limited Power Warranties set forth herein shall be the sole and exclusive warranties granted by Yingli Solar, and shall be the sole and exclusive remedies available to the Customer or other Claimant for any breach of warranty, express or implied. Provision of remedies, in the manner and for the periods described herein, shall constitute all the liabilities and responsibilities of Yingli Solar to the Customer and each other Claimant with respect to the PV Modules. In no event will Yingli Solar be liable for any consequential, incidental, special or punitive damages arising from or out of the PV Modules or their installation, use, performance or non-performance, or any defect or breach of warranty, whether based on contract, warranty, negligence, strict liability, or any other theory. Damages for loss of use, loss of profits, loss of revenues and loss of production are specifically disclaimed. Some States or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Under no circumstances shall Yingli Solar's liability for nonconforming PV Modules exceed the purchase price paid by the customer for the particular PV modules involved, plus reasonable transportation costs.

6 VALIDITY

This Limited Warranty applies to all PV Modules as well as YLxxxD(30b, 36b) modules series dispatched from Yingli after 1st, June, 2016.

This Limited Warranty applies only to certified products of Yingli, which are duly labeled with "Yingli Solar" brand. It should not be considered as a warranty to the power station, or any kind of commercial insurance. All the certified products from Yingli Solar shall be labeled with the "Yingli Solar" logo, and its Electroluminescence image is stored in Yingli, the sole flash test data of each Module is provided to Customer as requested, which should be kept by the Customers confidentially and properly for authenticity verification purpose.

7 MISCELLANEOUS

If any part or provision of this Yingli Solar PV Module Limited Warranty, or the application thereof to any person or circumstance, is held invalid, void or unenforceable, such holding shall not affect any other parts, provisions or applications of this Yingli Solar PV Module Limited Warranty, which shall remain in full force.

This Limited Warranty is available in multiple languages. If, for any reason, there is a conflict between the English-language version and any other version, the English-language version shall prevail.
